

Welcome to St. Peter's parish, located in Cosgrove, Iowa. We are a small but powerful faith community.

Our parish mission is: **To Know, Love and Serve the Lord.**

We are committed to your faith journey with a goal of maximizing each and everyone's spiritual health. A gym provides various fitness equipment to help you be the best you can be physically. Our church community offers various options to help you be the best you can be spiritually. Just like in the gym, we can not do the push-ups for you. We invite you to explore the many ways of spiritual growth that St. Peter's has to offer.

Choose the options that will help you most in your faith journey. If you have ideas that would help us to meet our parish mission, let us know. We continue to look for ways to grow in faith, hope and love individually and as a community.

We have listed some of the parish activities. Think of these as spiritual exercise machines. Which ones will you choose? If you have questions about any of the following, contact information is included in our bulletin. Don't forget to sign up to receive the bulletin.

To do so contact stpetercosgrove@gmail.com

You can also view it at <https://stpetercosgrove.weebly.com/bulletin.html>
